

Meet the Grower

Above All Produce Benton Harbor, MI

Although Above All Produce was founded in 1998, we have a long time family history involved in the agriculture Industry that dates back to the early 1900's.

In addition to our experience, the majority of our growers have been in the agricultural farming Industry; one that is now in their 4th family generation, for well over 80 years.

With this in mind, we can honestly say our experience and knowledge has resulted in one of the highest quality grown Produce Companies in the USA.

Our company is based on the belief that our customers' needs are of the utmost importance. Our entire team is committed to meeting those needs. As a result, a high percentage of our business is from repeat customers and referrals. Once a customer has tried our product, they will look no further. When in season, our produce is grown and shipped out of Southwest Michigan. We have TOP NOTCH growers that settle for nothing but the best in their growing practices, methods and techniques.

ABOVE ALL PRODUCE, INC. is focused on providing high-quality produce and customer satisfaction - we will do everything we can to meet your expectations.
