

# Triple XXX Root Beer Products

Triple XXX Premium Root Beer, featured on the Food Network's "Diners, Drive-ins and Dives" series, was originally created in 1895, making it one of the oldest, national brands of root beer in the United States.

Why is this root beer called Triple XXX?

Created in Galveston, Texas, the root beer was originally stored in steel banded oak barrels which were marked with "XXX". Back then, one X was good, XX was better, but XXX was the highest premium quality. This original 1895 pure cane sugar recipe gives Triple XXX Root Beer its rich, creamy full body flavor and its incredibly smooth finish.
