**Kickapoo** - This cheese is inspired by the German Buterkäse Cheese. We tweaked the recipe and mixed with special cultures resulting in a semi-soft to semi-hard cheese. The flavor of this cheese is surprisingly fresh. As the cheese ages for three to four months it develops a hint of pineapple flavor, similar to the great Italian cheese Piave. Made with Raw Milk – ½ wheel approx 5 lbs. **Piazza Item #85319**

**Traditional Farmstead Gouda** - Traditional Dutch Farmstead Gouda: This cheese is made according to a "Boerenkaas" (farmer's cheese) recipe used in the Netherlands for making Gouda on the farm from raw milk. This dense, firm cheese is known for its smooth consistency. As it ages it develops a nice sharpness with subtle nutty and/or fruity notes, depending to a large extent on what the cows were eating at the time. We age this cheese for about four months for a full flavor. Made with Raw Milk – ½ wheel approx 5 lbs. **Piazza Item #85355**

**Jake's Wheel** - Named after the founder of the creamery and based on his favorite cheese, the Havarti. This is a sharper semi-soft cheese known for its creamy, buttery consistency. We make this cheese in wheels instead of the classic brick shape and finish it a bit harder to give it more character. A great cheese for any occasion that is well liked by many. Made with Raw Milk – ½ wheel approx 5 lbs. **Habanero - Piazza Item #85377 Mustard – Piazza Item #85380**

**Vermillion River Blue** - One of the newest and most popular additions to our collection. Several "blue cheese" veins run through a melt in your mouth triple cream cheese. A creamy delight! Made with Raw Milk – 4 lb. Wheel. **Piazza Item #85374**
