Sea Salt & Cinnamon

Muncie, IN

Sea Salt & Cinnamon is a vegan food company based in Muncie, Indiana. Our mission is to invite people into compassion for others, themselves and the animals we share this planet with. We do this through creating premium & delicious foods, advocating for our communities and supporting our employees.

Our goal is to make plant-based options that taste better than their traditional counterparts to help show people vegan food doesn't have to be scary, intimidating or lack flavor.

Free of eggs & dairy, our treats are light, fluffy & delicious!
