

Meet the Grower

Voyager Farms Benton Harbor, MI

Voyager Farms, LLC, represents growers from Florida to Michigan, serving the needs of the produce industry.

With over fifty years of Eastern vegetable experience, Voyager Farms can offer you the grower and you the customer, the expertise of a grower, packer, broker, and load consolidator. All of this from a two year old company!

Voyager Farms specializes in, but is not limited to, green peppers, cucumbers, squash, eggplant, and green beans.

Cucumbers are available locally from Michigan from July through October.
