BeeFree Warrior Mix

You make choices so you feel, perform and live better. Don't stop there by compromising on taste. When my husband and I decided to go gluten free for the oldest of our four boys, I couldn't find a chocolate chip cookie that tasted like the "real thing" so I took matter into my own kitchen. Many recipes later, I gave him a cookie I felt great about. BeeFree Warrior Mix was inspired by our son, growing up fighting the battle against autism. He's a real-life warrior armed with a gluten/casein-free diet and overcoming one day at a time. At BeeFree, we are passionate about making junk-free treats for every day warriors. What you put into your body matters, and it better be delicious.
