

**Midwest Fresh is a Specialty Food company; providing locally sourced, non-gmo, gluten free products. Perfecting traditional sauces and creating new wonders like our Bacon Jam is just the beginning.**

**Quality Food starts at the beginning. Planting quality seed managed by people that love what they grow. Sourcing fresh quality Midwest ingredients is the only way to offer quality unparalleled on any shelf. We are removing the six months of supply chain, bringing you the best in the Midwest! Made with American grown produce, herbs, and spices. We make it the best. This is Real Food.**
